RE: 2011 Historic Preservation Awards

Glenn,

It is my pleasure to inform you that your house at 162 Prospect Avenue been awarded a 2011 Highland Park Preservation Award for Rehabilitation. The judges recognized the efforts made towards not only the rehabilitation of Milton Schwartz's original design work, but also the sensitive addition on the second floor and improvements on the rear of the house.

Historical Preservation Chairwoman Jean Sogin is hosting a reception on December 1st for this year's winners at her residence in Highland Park. Invitations will be sent in the coming week, and we hope to see you there.

Congratulations,

Andy Cross
